

*This holiday season,*

# GIVE THE GIFT OF EDUCATION.

Sponsor a child at TYO  
for \$50 a month.

Did you save room after eating on Thanksgiving, shopping on Black Friday, and clicking on Cyber Monday? Today is the first-ever **GIVING TUESDAY**, a national movement to promote a day of giving during the holiday season. Let's put those leftovers to good use!

## ANNOUNCING THE TYO SPONSORSHIP PROGRAM

Giving the gift of education is as easy as 1, 2, 3!

1. [Read the stories of TYO children and youth](#)
2. **Pick the child you'd like to support**
3. **Sponsor their participation in classes for less than \$2 a day!**

Please help us meet our goal of 100 children sponsored this holiday season by sponsoring and sharing with your friends and family.

*Hi! My name is Moataz Abu-Ayesh and I am four years old. I live in Balata Refugee Camp in Nablus with my one brother and two sisters. I love to come to TYO because I have lots of space to run around. I also love playing with the other kids at the center and making new friends. My mom is very happy that I get to learn and have fun.*
